## DEAR BUSINESS OWNER:

OutPaws' Sweet Home Sanctuary is a 501c3 non-profit farm animal sanctuary located in Peyton, Colorado. We rescue homeless, neglected and abused companion pets and farm animals and provide them a forever home. Those animals are then our ambassador residents who educate the community about more compassionate treatment of animals. We are able to provide many individuals their very first interaction with a farm animal.

Each year during the holidays we hold a **Giving Tree Campaign** where we partner with businesses to host a Christmas tree supplied by us (unless you have one you'd prefer we use) with ornaments that have a photo of one of our animals on one side and a Wishlist for that animal on the other side. These animals will range from our dogs, cats and rabbits to cows, pigs, goats and ducks. Visitors to your business may take an ornament or two from the tree and purchase the items from the animal's wishlist. They may then either bring the items back to your location for pickup by one of our volunteers or may purchase the items via our Amazon or Chewy Wishlists. Or, visitors may simply make a donation via a QR code provided on the ornament.

If you sell animal-related items at your business, we can specifically make ornaments targeted to the items you sell so that donors will provide you with additional business as well. But many of our most successful partners have been businesses unrelated to animals, such as chiropractors, community centers and churches.

All we need from you is a willingness to host one of our trees. Our volunteers will bring the tree and ornaments to you after Thanksgiving and will come back to remove it around New Year's (or at any time you specify). We will tag you as one of our partners on social media posts and will also provide media if you choose to share it on your social media. All donations to the Giving Trees are tax deductible. Thank you considering supporting our animals by partnering with us on our Giving Tree Campaign.
